# Project Write Up

The following are the project task:

- Prepare a table of Sales and Profit month-wise in a working sheet
- Prepare the sales table region-wise in the working sheet
- Create User Control Combo box for Product Category
- Create a Column Chart of the month-wise table and region-wise table
- Link the table with a combo box
- Create a dashboard

**Expected Deliverables:** Design a sales dashboard that analyzes the sales based on various product categories. The company wants to add user control for product category so that users can select a category and can see the trend month-wise and product-wise accordingly.
